Service matter – Adhoc appointments under a specific scheme – When the ad-hoc appointment is under a scheme and is in accordance with the selection process prescribed by the scheme, there is no reason why those appointed under the scheme should not be continued as long as the scheme continues – Ad-hoc appointments under schemes are normally co-terminus with the scheme (subject of course to earlier termination either on medical or disciplinary grounds, or for unsatisfactory service or on attainment of normal age of retirement) – Irrespective of the length of their ad hoc service or the scheme, they will not be entitled to regularization nor to the security of tenure and service benefits available to the regular employees – Prevention of Infiltration of Foreigners Scheme
