Haryana Staff Selection Commission – Candidature for the post of PGT (Chemistry) – Petitioner possesses the qualifications of B.Ed as also M.Sc. (Chemistry), is an educated person and it would be construed that he had read each and every term and condition of the advertisement and had understood the same – The candidature of the petitioner for the post of PGT (Chemistry) would have to be considered strictly as per the terms and conditions of the advertisement – Petitioner had clearly indicated in his online application form that he belonged to the General Category – He had chosen not even to upload the scanned copy of the EBPG Certificate alongwith the online application form as was the requirement under the advertisement – Case are not that of a bona fide mistake being sought to be rectified but it is essentially a claim for change of category.
