

Evidence - Admissibility of a document is one thing and its probative value quite another

[PRINT / DOWNLOAD PDF](#)

Court considered the issue in respect of admissibility of documents or contents thereof and held as under:

*“Admissibility of a document is one thing and its probative value quite another - these two aspects cannot be combined. A document may be admissible and yet may not carry any conviction and the weight of its probative value may be nil.”*

*State of Bihar v. Sri Radha Krishna Singh.*, AIR 1983 SC 684
