

Jamabandi – Correction of entries – Revenue authorities are not competent to make correction of entries in jamabandi as the same falls within the purview and domain of civil court under Section 45 of the Punjab Land Revenue Act.... –

Nothing on record to show that prior to making correction in respect of possession qua suit land on the basis of girdawari kharif 1996, notice was issued to the plaintiffs and as such the document cannot be taken into consideration either to negate plea of the appellants or rebut correctness of entries in jamabandis to which a presumption of correctness is attached in law – Punjab Land Revenue Act, Section 45.
