

Motor Vehicles Act, 1988, Section 166 – Death – Child – 12 years – Income of minor girl child incapable of precise fixation – Case does not persuade us to enhance the same any further from Rs. 2,95,000/- by granting any further compensation under the separate head of “future prospects” – It may only be noticed that *R. K. Malik v. Kiran Pal*, (2009-3)155 PLR 35 (SC) , does not consider *New India Assurance Co. Ltd. v. Satender*, (2007-3)147 PLR 387 (SC), on the grant of future prospects as far as children are concerned.
