

Maintenance and Welfare of Parents and Senior Citizen Act, 2007 (50 of 2007) – Cannot be said that provisions have been been misused for the purpose of throwing out a daughter-in-law inasmuch as it is very apparent that even the son was siding with his wife i.e. the petitioner who is daughter-in-law – Would clearly indicate that he was not helping his parents but was supporting his wife and thus it cannot be said that the provisions of Act have been misused
